

Open Call for Hongti Art Center Artists Residency 2023

Hongti Art Center is an artist residency located in Saha-gu Dadaepo Rainbow Factory Village, Busan. We are calling for prospective artists who could contribute to Hongti Art Center through their cultural and creative participations. Hongti Art Center provides a wide range of facilities including labs, studios, an exhibition space and residential areas. In addition, Hongti's objective is to enlighten the artistic value of installation public art with the general public. We look forward to working with likeminded artists who share common values with us.
